INVITATION

FEDHASA Cape Networking Breakfast

'An Inclusive Tourism Environment'

At our 3rd Networking Breakfast for 2017, we will look at 'An Inclusive Tourism Environment' and the promotion and development of authentic guest experiences.

Frank Gormley, shareholder of the President Hotel and Tony Elvin, Director at Langa Quarter, will share the practicalities and benefits of such a special and inclusive agreement.

You will also have the opportunity to introduce your business to the attendees and to also share how you benefited and made new business contacts at these networking breakfasts over the past 2 years.

The graphic is a blue rectangular box with white text and two photographs. The text on the left side reads: 'Holiday Package' in a large font, followed by 'Unforgettable Experience', 'Amazing Food', and 'Great Service' in smaller font. At the bottom, it says 'And then you still have the President Hotel to look forward to!!'. On the right side, there are two photographs: the top one shows a large, modern white hotel building with a swimming pool and a mountain in the background; the bottom one shows a colorful, graffiti-covered building with a fence in front.
